Product/demonstration description: Please describe (photos optional) _____

Juried Selection - The Festival Board reserves the right to reject any application. The Festival Board also reserves the right to restrict product offerings, activities, and/or attractions of any vendor, performer, or visitor during the festival.

Booth Space Request

# Booths	Booth Type	Booth size	Fee	Total
	Demonstrator	10D x 15L space	No Charge -	
	**Electricity (# outlets)	110V, 20 amp	No Charge	

Special needs/requests:

**** Electrical Service Request****

A limited number of booths can be supplied with electricity based on operational needs. All 110V receptacles are 20 amp ground fault circuit interrupter devices. 220V service may require up to a 100 foot extension cord. **Vendors must bring own extension cords.**

Specific electrical needs: _____

Demonstrators are welcome to sell product from their booths. If you will need any help loading/unloading, please specify in the “special needs” box above; and we will try to schedule volunteers to help.

While we encourage you to remain open during all Festival hours, we understand if you cannot. Please indicate what hours you will be able to demonstrate, and we will work that into our scheduling.

On Saturday, please note that no vehicles are allowed on the Festival campus until after 10 p.m., so if you must take product back to your vehicle, we will have a cart to help you with that.

- Please return the Registration Form ASAP via email to info@westplainsarts.org or snail mail to WPCA, P.O. Box 339, West Plains, MO 65775
- The festival will not be cancelled due to rain.

I understand and agree to the demonstrator guidelines.
